Sharon —

President Trump and Congressional Republicans shut down the government because they refused to stop your health care costs from rising.

Let me be clear: Republicans are in charge of the White House, House, and Senate.

**This is their shutdown.**

It is Project 2025 in action.

We are not going to aid and abet this president's agenda.

We have to stand up. We have to be the guardrails against this tyrant.

Thank you for staying engaged in these critical times.

Kamala
